

# American Chemical Society

## Student Affiliates, University of Pittsburgh

### Membership Application

*This is a powerful professional organization for the benefit of individuals interested in chemistry and related fields. Our organization offers exciting extracurricular activities and many outstanding opportunities for our members, including:*

- WEEKLY MEETINGS-to plan activities, provide interesting speakers, films, discuss ideas, and keep students aware of what is happening in the chemistry department.
- ANNUAL TRIPS-Each year we sponsor (a) trip(s), to external chemistry environments, as well as for social enjoyment. Significantly reduced rates are available to active members. In the past few years we have traveled to New Orleans, Atlanta and New York.
- PROFESSIONAL NETWORKING-Our organization has many opportunities to make contacts with professionals in both the chemical industry and academia. Student affiliates also have the opportunity to join the National ACS at reduced rates.
- SOCIAL ACTIVITIES-We sponsor many parties, intramural sports teams, bowling nights and other activities throughout the year.

***Our meetings are held every Friday at 12:00 noon in Room 132 Chevron Science Center. To join, complete the application form below and come to one of our meetings. Our first meeting will be September 3, 2004 but you may join any time throughout the year.***
